

**THE AUTHORITATIVE SOURCE
of Business Education for Successful Entrepreneurs for
nearly 30 years!**

**Excellerated Business School for Entrepreneurs
September 15 – 23, 2007
In Kuala Lumpur, Malaysia**

This world-famous international Entrepreneurial School has been held annually since 1978 across North America, including Hawaii; in Bali, Malaysia, Taiwan, China – throughout the Asia Pacific Region.

Each year, the Excellerated team hand-picks the best “Master” entrepreneurs and business leaders to spend eight days sharing their winning formulas for raising capital, refinancing, sales, leveraging intangible assets, marketing off-line and on-line, staying motivated, building a winning team, managing cash flow, communicating with power and passion, adding value to their clients and their spheres of influence – and most importantly, teaching Entrepreneurs how they can stay ahead of the revolution – all in experiential learning that allows you to learn years of Entrepreneurship in just a little over a week.

BSE will bring out your Spirit of entrepreneurship!

This fantastic Networking opportunity will open worldwide contacts with successful Entrepreneurs and it will empower you to create your life’s dreams.

This is the world's premiere education and networking program for serious business owners and anyone else interested in creating financial independence for themselves and their families.

Participants learn how to LEVERAGE themselves so their business can work without them. Once these distinctions are made, they can return to do more with less effort, spend more time with families, follow their dreams and be great. They are also better able to cope with the high speed of change, raise more capital than they need, attract and retain the very best team and can profitably buy and sell a business, and plan their exit strategy ahead because they know where they are going.

The best part of BSE is the leverage you will have by becoming part of an elite network of leaders and entrepreneurs worldwide who are also enjoying a level of financial and personal freedom that most people only dream about!

The Excelled Business School is a pioneer of the unconventional – even unthinkable – lateral-thinking of the Entrepreneurial world. It was created to teach Entrepreneurs and business owners the critical skills and information not available from traditional Business Schools in a fast-paced, entertaining, and unforgettable way.
