- [Affiliate Commission Schedule](#)

Your first visit:

- After your application has been approved, you will receive your password information by email.
- To access your account, go to <http://www.excellerated.com> and select the Affiliate login menu
- Enter your access information
- Join campaign:
 - Go to Product/Category
 - Select Join Campaign
- To edit your profile or reset your password, please select the “Profile” menu on the left.

Banners/Links:

A variety of banners/links are available to meet the needs of your marketing process. They will all track visitors to ensure credit is applied to your account.

- Select the Banners/Link on the left menu
- Your general link with your affiliate ID embedded is included at the top. You can use this to link in emails or sites with your own graphics or functionality
- As you scroll down the page, you will find a variety of banners. First, you can decide which will work best for your purposes
- By inserting the provided HTML code into the code of your web site, the selected graphic will appear and direct visitors to <http://www.excellerated.com>
- If you would like the banner to point to a different excellerated URL, select [Dynamic Link](#) to the right of the banners. You may enter your preferred URL and code will be produced to place in your Site.
- To insert your affiliate link in an email, you can use the hyperlink function or do a straight paste of your general affiliate code.

Reports:

To track your progress and earnings, there are several reporting options on the left menu.

- Quick Report – provides sales and click-through information by date
- Traffic & Sales – provides a more detailed look at your activity including time of day analysis.
- Top referring URLS – which of your URLS are providing traffic?
